Subject: Mountaire

Andy; as we briefly discussed, Mountaire **Ex. 5 - Deliberative Process**
2003 1431 order which among other things limited the concentration of
nitrates that could be sprayed on land as a means of treatment. Rich
Rodgers **Ex. 5 - Deliberative Process**

Ex. 5 - Deliberative Process I think more discussion of that is needed, but we

Ex. 5 - Deliberative Process

Deane handled the original order in 2003 but has not been more recently involved, and is currently jammed with other work. I think it would be good for you to handle this Mountaire matter, for several probably obvious reasons. Let me know if that's ok or if you want to discuss.
